Nene Akwetey-Kodjoe

Project Coordinator

Nene Akwetey-Kodjoe is the WCF/ACI Project Coordinator. He manages all technical reporting and for the project and provides project management backstopping support to the Chief of Party.

Prior to joining WCF Nene worked for almost 8 years on development projects for USAID's West Africa Trade Hub as Technical Coordinator for Export Business Development, Finance Program Coordinator and Monitoring & Evaluation Specialist and for JICA's West African Centre for International Parasite Control as Senior Research Assistant. He also help Woodin launch Africa's first coordinated fashion line in his 18-month foray into the private sector.

Nene holds a BA in Economics, Geography & Resource Development from the University of Ghana. He has also completed Investment Analysis Training with the Ghana Stock Exchange and has a Diploma in the French from the Alliance Française.

Nene is fluent in French and speaks conversational Spanish.
