WCF GOALS

Prosperous Farmers

become truly sustainable and profitable, with transformation of farms into modern businesses that deliver sustainable livelihoods

Empowered Communities

lead their own development, human rights are protected, and safety and wellbeing of children and families are strengthened

Healthy Planet

is conserved and enhanced, with resilient and biodiverse landscapes, and reduced carbon footprint

JOINT INDUSTRY & GOVERNMENT ACTIONS

- Farmer Professionalization
- Productivity and Quality
- Crop and Income Diversification
- Traceability
- Farmer Organizations

- Child & Forced Labor Monitoring and Remediation
- Community Development
- Access to Quality Education
- Improving Child Survival
- Women's Empowerment

- Tracing and monitoring supply
- Protection and restoration of forests
- Climate-smart agriculture
- Agro-forestry development

2025 TARGETS

INDUSTRY RESULTS

- Farmers reached by GAP training programs
- Improved cocoa seedlings distributed
- Households participating in crop diversification and additional IGA activities

JOINT RESULTS

- Increase in net household income in direct supply chain
- Increase in cocoa productivity in direct supply chain

GLOBAL SDG RESULTS

SDG 1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day

SDG 2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers

SDG 8.7 Take immediate measures to eradicate forced labor, and by 2025 end child labor in all forms

SDG 5 Achieve gender equality and empower all women and girls

SDG 13 Take urgent action to combat climate change and its impacts

SDG 15 Protect, restore & promote sustainable use of terrestrial ecosystems, sustainably manage forests, and halt & reverse land degradation and halt biodiversity loss

- Coverage of child protection systems in high risk communities in direct supply chain
- Women participate in gender empowerment activities
- Industry co-financing mobilized for education

- Elimination of any forced labor in supply chain
- Achievement of child labor reduction targets set out in national plans
- Achievement of education and birth registration target set out in National Plans

- Zero deforestation in direct supply chain
- GPS mapping of farms and full traceability from farm to first purchase point in direct supply chain
- Hectares of cocoa agro-forestry established

- Zero deforestation in supply chain
- Achievement of national restoration targets for degraded lands and forests in supply chain set out in National Plans

WCF ROLES

Facilitate industry collective action

Promote multi-stakeholder partnerships

Facilitate government policy dialogue

Promote industry learning, knowledge sharing and M&E

Support resource mobilization

Communications and risk management

ENABLING ENVIRONMENT

Multi-stakeholder collaboration and partnerships

Effective government policy and regulatory frameworks

Aligned public-private investment to create impact at scale
